More Than A Multiple™ is an energy-rich mega-potency multivitamin developed on the principle that concentrates derived from whole foods are really the best approach to proper nutrition in a supplement form. In addition to essential vitamins and minerals, More Than A Multiple™ supplies your body with naturally occurring nutrients from whole foods not found in many supplements. These energy-rich whole foods work synergistically with other nutrients to provide extra nutritional support in one convenient formula.

With More Than A Multiple™'s exclusive timed-release formula, your body receives both immediate and extended nutritional support hour after hour!

This mega-potency multivitamin featuring energy-rich whole food concentrates contains:

- Over 40 vitamins, minerals, amino acids, phytonutrients, enzymes, bioflavonoids and herbs that work together to promote overall good health*
- Omega-3 & Omega-6 lipids, essential for balanced health*
- Natural whole food vegetable concentrate, citrus and mushroom complexes
- All the nutritional support you need daily for optimum wellness*

Directions: For adults, take three (3) tablets daily, preferably before meals.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications, planning any medical procedure or have any medical condition, consult your doctor before use. Avoid this product if you are allergic to bees, bee products, sunflowers or daisy-like flowers. Discontinue use and consult your doctor if any adverse reactions occur. Not for use by persons under the age of 18. Store at room temperature. Do not use if seal under cap is broken or missing.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under six. **KEEP THIS PRODUCT OUT OF REACH OF CHILDREN.** In case of accidental overdose, call a doctor or Poison Control Center immediately.

Pycnogenol® is a reg. TM of Hargreaves Research Management S.A.; U.S. Patent Nos. 5,720,856; 6,372,266.
