ASTAXANTHIN

Natural Astaxanthin is the "king carotenoid" and one of the most powerful antioxidants known to science. Oxidation contributes to the way our body and skin age and can be affected by free radicals. Compared to other carotenoids and minerals, Astaxanthin is powerful for reducing the oxidative stress on our bodies and for maintaining healthy skin. Furthermore, trunature[®] Astaxanthin contains AstaREAL[®], a high quality natural Astaxanthin known for its purity and

trunature[®] Astaxanthin may enhance the appearance of our skin by:

- Improving the appearance of wrinkles and age spots[†]
- Enhancing skin elasticity, tone, and texture[†]
- Promoting greater skin moisture content[†]

The powerful antioxidant benefits may also help to:

- Protect the cardiovascular system[†]
- Maintain good cholesterol levels, already in the normal range[†]
- Support muscle function and endurance levels[†]
