

Triple-Boost® Caffeine-Free Energy supplies a blend of nutrients to help you feel energized throughout the day.* It can be used on a daily basis without the burn-out that occurs with caffeinated energy products.*

- **ONE: Cellular Energizers** - B Vitamins convert food into cellular energy, while other key nutrients such as Creatine, L-Carnitine and Chromium help to drive mitochondrial ATP/energy production.*
- **TWO: Adaptogenic Botanicals** - Ginseng is called an "adaptogen" because it helps the body adapt to internal and external stressors, while helping to improve physical and mental performance.*
- **THREE: Super Foods** - This formula is powered by a robust blend of "super foods," including Maca, Spirulina, Bee Pollen and Royal Jelly.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery contain binders and fillers that may

cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.*

USAGE WARNINGS: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
