

Less-Stress Weight Support™ is specially designed for over-worked, over-stressed and over-weight individuals.* This innovative formula delivers powerful nutrients that can help to:

- Counter the effects of stress*
- Support healthy weight management*
- Enhance energy*

■ **Relax:** L-Theanine supports a healthy stress response by promoting a relaxed yet alert state of mind.* Magnolia Bark has been used for thousands of years in stress formulas in Traditional Chinese Medicine.*

■ **Reduce:** Green tea is one of the most powerful botanicals found in nature.* It not only helps to protect the body from the cell-damaging free radicals, but it also helps to support healthy weight management.* Emerging research suggests that EGCG, the primary antioxidant compound in green tea leaves, has a positive effect on weight when combined with a healthy diet and exercise program.*

■ **Re-Energize:** Less-Stress Weight Support™ delivers a full spectrum of B-vitamins that can boost metabolism and help convert carbohydrates, fats and proteins into cellular energy*

This comprehensive daily formula includes healthy levels of DHA and EPA from Fish Oil.* The ingredients in this product not only support your weight management goals, but also support overall health and well-being.*
