

Solgar's HY-C™ offers 600 mg of pure Vitamin C combined with natural citrus bioflavonoids, rutin and hesperidin, which may enhance the absorption and utilization of Vitamin C. Vitamin C is a water-soluble nutrient with revered antioxidant and immune supportive properties. Combined with 175 mg natural bioflavonoids and 25 mg of rose hips, each single tablet serving of HY-C™ offers synergistic antioxidant support to combat cell-damaging free radicals which can cause premature aging.*
