

Single Herbs

Individual herbs in their vibrant, natural form support each person uniquely.* Gaia Herbs' Single herbs contain concentrated extracts of an individual herb, to deliver nature's vitality to you.*

Cranberry Concentrate

Cranberry has a long history of use -- now backed by modern science -- for supporting the health of the urinary tract. Made from organic cranberries, Gaia's Cranberry Concentrate is a convenient alternative to eating whole cranberries and doesn't have the bitterness or unnecessary sugar you can get from drinking cranberry juice.
