

Sunny Mood is a "feel good formula" that can help lift your spirits when you're feeling down.* This innovative product supplies a broad-spectrum of phytonutrients and essential minerals to target mood & emotional health.*

Mood Enhancement: Sunny Mood® supports a positive mental state to promote feelings of happiness and well-being.* This formula delivers a unique combination of botanicals that are traditionally used in mood support formulas – including Lemon Balm, Damiana and Saffron.* Plus, it features a powerful Rhodiola extract that is standardized to a minimum of 3% rosavins and 1% salidroside. Emerging research has demonstrated Rhodiola's mood-elevating and brain-energizing effects.*

Emotional Balance: Sunny Mood® supports emotional stability and calmness.* Combining adaptogenic botanicals, soothing nerve relaxants and harmonizing nutrients such as L-Theanine, this multi-faceted formula can help you maintain mental balance during times of heightened emotional stress.*

Sunny Mood is designed for overall mental health, and is ideally suited for individuals with temporary depressed mood, occasional anxiety, emotional reactivity, temporary stress-related exhaustion and mental fatigue.* This product can be used daily for health maintenance, or as needed to balance the mind and emotions.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
