

**Steel-Libido RED™** - When it comes to sexual performance, Nitric Oxide is the key! Nitric Oxide is a naturally-occurring compound in the body that plays a critical role in the male sexual response.\* Nitric Oxide is produced in the inner lining of the vascular system and helps to dilate blood vessels, allowing blood flow to vital organs. When sufficient Nitric Oxide is present, erections occur during the normal course of intimacy.\*

**Nitric Oxide Boosters:** Steel Libido RED™ is specially designed to increase Nitric Oxide in the body.\* It features a number of Nitric Oxide "boosters" including Ginkgo, Theobromine and L-Citrulline - an amino acid that increases blood circulation and enhances physical response during sexual activity.\*

**Performance Enhancers:** Steel Libido RED™ is packed with nutrients to maximize physical performance.\* In particular, Ginseng improves physical capacity, CoQ10 fuels energy production and L-Theanine promotes a relaxed yet alert state of mind.\*

Steel Libido RED™ works tonight! Take it daily for ongoing maintenance of sexual health or as needed for fast-acting sexual enhancement.\*

#### What makes us different:

**Liquid Soft-Gels** - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

**Quality Assurance** - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

**Global Responsibility** - Over the years we have donated to organizations that support the environment and the health of our children.

**Patented BioPerine®** - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.\*

**Usage Warnings:** Do not use if seal is broken. This product contains ingredients that may affect blood pressure and/or heart conditions. Check with your doctor before using and engaging in activity if you have heart disease, high blood pressure or other medical conditions. Do not use if you may become pregnant, are pregnant or nursing. Individuals with low blood pressure should not take this product. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF THE REACH OF CHILDREN.** Store in a cool, dry place. **WARNING:** (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
