

Active-Cleanse and Probiotics™ is a gentle yet effective formula that works through the digestive tract to promote toxin elimination and probiotic replenishment.* It can be used as part of a detox program or as a stand-alone product for deep internal cleansing.* Key ingredients include:

Aloe

Aloe is prized for its many health benefits and for its unique ability to activate the body's natural detoxification processes.* Aloe supports the elimination pathways and helps to clear toxins and waste from the intestinal tract.*

Triphala

Triphala is a balanced blend of "three fruits" that are highly prized in the Ayurvedic tradition. Triphala has been traditionally used to assist natural internal cleansing, to support strong digestion, and to revitalize the body.*

Probiotics

To complement the eliminative action of Aloe and Triphala, this formula delivers 9 billion CFU* of viable probiotics per day.* Probiotics bring balance to the intestinal tract and can help to replenish, rebuild and nourish the digestive system overall.* This product includes a clinically-tested probiotic called Unique IS-2™ that is shelf-stable, heat-resistant and acid-resistant. This pure-strain probiotic does NOT require refrigeration.

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals™ is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

2 Patented BioPerine® - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication, including diuretics, heart medications and corticosteroids, or have any medical conditions. Do not use if you have an intestinal obstruction, hemorrhoids or other intestinal disorder. Do not use if you are taking any other product concurrently that has laxative effects. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place. NOTE: This product is not intended to be used without breaks. Cape Aloe belongs to a family of plants containing compounds with laxative effects. Can lead to dehydration and electrolyte loss. With long-term use without breaks, this ingredient may interfere with diagnostic imaging procedures of the colon. Taking a break of 30 or more days between use cycles will help maintain natural regularity. Not intended for long-term use.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

NOTICE: This product contains Cape Aloe. Read and follow the directions carefully. Do not use if you have or develop diarrhea, loose stools, or abdominal pain because Cape Aloe may worsen these conditions and be harmful to your health. Consult your physician if you have frequent diarrhea or if you are pregnant, nursing, taking medication, or have a medical condition.
