

### The Free Radical Theory of Aging

Free radicals are a major contributor to aging. The "free radical theory of aging" states that aging is caused by the accumulation of free radical damage inside the body. This theory is supported by countless studies and suggests that antioxidants can help neutralize the effects of the aging process.\*

### Boost Your Antioxidant Defense Systems!

Anti-Aging Antioxidants™ is a simple yet powerful way to boost your daily antioxidant intake. This product supplies a broad spectrum of antioxidant-active compounds to protect your body from the harmful effects of free radicals.\* Anti-Aging Antioxidants™ can be used daily or as needed to help fill the nutritional gaps in your diet.\*

### What makes us different:

**Liquid Soft-Gels** - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

\*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Quality Assurance** - Irwin Naturals™ is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

**Global Responsibility** - Over the years we have donated to organizations that support the environment and the health of our children.

**Patented BioPerine®** - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.\*

**Usage Warnings:** Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.

**WARNING:** (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive damage.
