

Suggested Usage: Take 1 capsule 3 times daily with food.

Alfalfa (*Medicago sativa*) is a perennial herb that is indigenous to the Middle East. Because of its deep root system, Alfalfa is better able to absorb minerals from the soil than other plants. Therefore, Alfalfa is known to offer vitamins, minerals, and Chlorophyll. NOW® Alfalfa Leaf Caps uses only non-GMO Alfalfa that is also free of pesticide and herbicide residues.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition (especially lupus). Keep out of reach of children.

Natural color variation may occur in this product.
