Discussion: Sunny Green® Organic Carrot Powder contains dehydrated carrots bursting with superfood nutrition. Carrots are the richest plant source of beta carotene, an important antioxidant that the body efficiently converts to Vitamin A.

The **EcoGrown™** seal is our guarantee this product is certified organic according to the best organic practices in the industry, including avoiding the use of synthetic fertilizers, chemical pesticides and genetically modified seeds.

Packaged by weight not volume. Settling of contents may occur.

California Only WARNING: This product contains a substance known to the State of California to cause birth defects or other reproductive harm.
