

This product combines **Green Coffee Bean** and **Red Coffee Berry** to give you the full spectrum of health benefits derived from the whole coffee fruit. Coffee trees produce berries that turn bright red when they are ripe and ready to pick. What we call a "green coffee bean" is actually the green seed inside the red coffee fruit. These raw and unroasted "beans" are packed with chlorogenic acids and other beneficial nutrients that are lost during the coffee roasting process.\*

To ensure that you get the most out of green coffee bean, we developed this formula using **Svetol**: a patented, clinically-researched and decaffeinated extract of Robusta coffee beans. Preliminary research suggests that **Svetol** supports healthy weight loss when used in conjunction with a low-calorie diet.\*

For added benefit, we also infused this product with **KonaRed** coffee berry, sourced exclusively from the Hawaiian Kona coffee tree. This pure berry extract is densely-packed with vital nutrients and antioxidant-active compounds for an exceptional nutritional boost.\*

#### What makes us different:

**Liquid Soft-Gels** - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels provide an optimum delivery system.*

\*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**Quality Assurance** - Irwin Naturals is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

**Global Responsibility** - Over the years we have donated to organizations that support the environment and the health of our children.

**Patented BioPerine** - BioPerine® enhances the bioavailability, absorption and potency of many nutrients.\*

**Usage Warnings:** Do not use if safety seal is broken. This product contains natural caffeine. Check with your doctor before using this product if you are using medication or have any medical conditions, including heart disease and/or high blood pressure. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place. **WARNING:** (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
