

Oolong & Matcha Tea are prized in Asian cultures for their health-promoting properties.* This Oolong & Matcha Tea formula combines four distinct varieties of tea, plus key botanicals from Traditional Chinese Medicine, to kick-start a healthy lifestyle.*

■ **High-Powered Teas:** All tea — green tea, white tea, black tea, etc. — comes from the same plant, *Camellia sinensis*. Each variety of tea undergoes a unique processing technique that brings out its distinct nutritional profile. This formula combines four powerful teas that supply a wide spectrum of phyto-nutrients to support overall health and well-being.*

■ **Proprietary Asian Herbal Blend:** This formula includes some of the most revered botanicals from the East, including Asian Ginseng, Astragalus, White Peony and Schisandra, plus Brown Kelp — which is often used in weight management formulas.*

■ **†Thermogenic & Antioxidant Formula:** EGCG is one of the most powerful antioxidants found in nature.* The combined EGCG content of the teas in combination with natural caffeine, while not literally "melting" fat off the body, has been shown to boost thermogenesis and burn calories.*

For optimum weight loss results, use this product in conjunction with a reduced calorie diet and exercise plan.*

What makes us different:

■ **Liquid Soft-Gels** — The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels* provide an optimum delivery system.

Quality Assurance — Irwin Naturals' is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility — Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® — BioPerine® further enhances the bioavailability, absorption and potency of many nutrients.
