

Suggested Usage: Take 1 capsule daily.

Gymnema sylvestre is an herb that has been used traditionally in India for centuries. Modern research has shown that this herb may help to support healthy glucose metabolism through its ability to promote healthy pancreatic function.* In addition, *Gymnema* exhibits potent free-radical scavenging properties.* NOW® *Gymnema Sylvestre* Extract is standardized to *Gymnemic Acids*, which are the compounds that have been identified as its bioactive constituents.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Not recommended for pregnant/nursing women. Consult physician if taking medication (including insulin and oral diabetic medications), or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
