Super ORAC: Oxidative stress has been implicated in aging and the impact on overall cardiovascular and neurological health. The antioxidants contained in Super ORAC help neutralize oxidation and the destructive effects of free radicals. ORAC is an acronym for "oxygen radical absorbance capacity" used for determining the antioxidant value of foods or supplements. Green Tea, Mangosteen Pericarp, Turmeric, Quercetin, Resveratrol, Apple, Açai, and Selenium make up the powerful antioxidant profile of this Super ORAC formulation.*
