

{ mutant /'mjʊ:tənt/: an individual with freakish or absurdly exaggerated musculature, anatomy, abilities, etc. }

NEW & IMPROVED MUTANT™ TEST includes targeted levels of SIX (6) active ingredients featuring clinically-tested Testosurge® and MacaTest™. **MUTANT TEST** is formulated specifically for **MUTANTS** wanting to augment their strength-training program in an effort to experience initial results within just days, that continue to deliver over and over.†

SUGGESTED USE: Read the entire label before use. As a dietary supplement on training and non-training days, take 6 caps every morning upon waking on an empty stomach with 8 fl. oz. (250mL) of water. We recommend 8 weeks continuous use followed by a 4 week off-cycle.†

† **MUTANT RESEARCH NOTES:** Effects of Testosurge (500mg) supplementation on strength, body composition and hormonal profiles during an 8-week resistance training program. (Poole et al. JISSN. 6-Suppl 1:P12, 2009). Effect of Maca on sexual desire and its absent relationship with serum testosterone levels in adult healthy men. (Gonzales et al. Andrologia 2002; 34(6):367-372). Zinc contributes to the maintenance of normal testosterone levels in the blood. Niacinamide contributes to the reduction of tiredness and fatigue. (EFSA 2012)†

WARNING: STORE OUT OF REACH OF YOUNG CHILDREN. For adult use only. Read the entire label before use and follow directions carefully; this product may not be right for you. This product is intended to be used to supplement the diet - use at your own risk. Not recommended for children or pregnant or nursing women. Do not use if you have high blood pressure or any other medical condition. Disclose use to healthcare practitioner prior to any medical treatment or care. Consult a healthcare practitioner prior to use: if you intend to use this item beyond 3 months; if you are taking antidepressants; if you are taking blood thinners; if you have high blood pressure; if you have diabetes; if you suffer from any psychological disorder and/or condition such as frequent anxiety or depression; if you are taking any medication; and before starting any diet or exercise program. Do not exceed recommended serving. For occasional use only. Do not use this product for longer than 8 weeks in a row at one time. Make sure that usage is followed by at least a 4 week off-period. Diuretic effect may occur. Improper use of this product will not improve results and is not advised. Do not refrigerate. **KEEP IN A COOL, DRY PLACE. DO NOT USE IF PACKAGING HAS BEEN TAMPERED WITH OR IF CAPSULE IS BROKEN.**†
