

Power to Sleep PM® - Attaining restful and sustained sleep is fundamental to health and well being. That's why we created Power to Sleep PM®. This unique formula is designed to help you relax before bed, to sleep soundly throughout the night, and to wake-up feeling refreshed in the morning.*

- **Promotes Relaxation:** A combination of soothing nutrients helps to relax the body and calm the mind.*
- **Stimulates Sleep:** Melatonin and GABA help to promote the onset of sleep and are keys to maintaining a normal sleep cycle.*
- **Supports Balance:** L-Theanine helps to reduce the effects of stress, while minerals (Calcium, Magnesium) help to replenish essential nutrient stores.*

This advanced formula focuses on these 3 targeted areas to promote restful sleep without causing early-morning drowsiness.* Use this product for occasional sleeplessness or on a daily basis to promote relaxation before bedtime.*
