

Forskolin is an extract derived from the Coleus plant. Researchers have discovered that forskolin promotes the breakdown of stored fat in the body.* In more technical terms, forskolin increases an enzyme called adenylate cyclase, which increases a compound called cyclic AMP in fat cells, and thereby triggers hormone-sensitive lipase to release fatty acids from adipose tissue.*

Emerging research suggests that forskolin promotes healthy weight loss.* When used in conjunction with a sensible diet and exercise, forskolin can help reduce body fat and optimize body composition overall.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. *Advanced Liquid Soft-Gels* provide an optimum delivery system.

Quality Assurance - Irwin Naturals* is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine* - BioPerine* enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication, including anti-coagulant drugs (blood thinners), or have any medical conditions, including a gastric ulcer, blood sugar disorders or low blood pressure. Coleus forskolin may potentiate many medications. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
