Supplement Facts Serving Size 1 Vegetarian Capsule

Amount Per Serving	% Daily Value
-----------------------	------------------

Vitamin K (as Menaquinone-7 from Natto) (K-2)	150 mcg 188%
---	--------------

Other Ingredients: Cellulose, Glycerol Monostearate, Vegetable Cellulose Capsule, Silica, Magnesium Stearate and Fermented De-fatted Flour Extract.

Discussion: The premium Vitamin K-2 menaquinone-7 used in this formula is derived from Natto, a fermented soybean food used since ancient times in Japan and currently valued as a vital source of nutrients. Menaquinone-7 is known to enjoy a longer half-life than other forms of Vitamin K, and is therefore believed to offer unique benefits to the body. It is intended to provide nutritive support for both bone and arterial health.
