

DailyWellness™

Longevity and vitality come naturally when your body is in a state of harmony. Gaia Herbs' DailyWellness™ products promote optimal wellness by giving you the daily support you need.*

Liver Health

Proper liver function is essential to overall health. The liver is responsible for the synthesis, metabolism and catabolism (breakdown) of hormones and aids in the absorption of vitamins. It also efficiently eliminates environmental toxins. With daily use, Liver Health delivers herbal antioxidant sources and supports healthy levels of inflammation to maintain a healthy liver.*
