

Glucomannan Pure Powder

HEALTHY WEIGHT MANAGEMENT

from Konjac Root

- Supports Healthy Cholesterol Levels already within healthy range
- Supports Regularity*

Net Wt. 8 oz. (227 g)

A Dietary Supplement Vegetarian/Vegan

SUGGESTED USAGE: As a dietary supplement, take 1/2 level teaspoon (2 g) 1 to 2 times daily with at least 8 oz. of water 30-45 minutes before a meal.

Glucomannan is a soluble, bulk-forming fiber derived from the Konjac Root (*Amorphophallus konjac*) that can help to maintain intestinal regularity. Glucomannan may also help to maintain serum lipid levels already within the healthy range. In addition, by promoting satiety (feeling of fullness), Glucomannan can be a convenient addition to a weight management plan that includes a healthy diet and exercise program.*
