

Since 1972

Vital Nutritional Support

Ionic Minerals is a blend of ionic trace minerals that are charged and do not need to be broken down further before absorption. Because the minerals in this formula are charged (ionic) they are easily and quickly absorbed and taken into the cells that line the intestinal tract, whereby they may be readily employed in the body's many physiologic activities. Ionic minerals also play an important role in supporting a healthy pH balance.*

Fulvic acid is added to this formula to help boost vitality, scavenge free - radicals, and provide immune support.*

Açai berry concentrate provides valuable antioxidants, amino acids, anthocyanins, and essential fatty acids. Açai is also used to flavor this formula.*

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

RECOMMENDATION

Take 1 Tablespoon twice daily with a meal.

Keep lid tightly closed and refrigerate after opening.

Warning: Accidental overdose of iron - containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of the reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
