Sanhelios® Curbita™ Bladder Caps
Pumpkin seed oil
(Cucurbita pepo LINNE var. Styriaca)
1000 mg

Healthy bladder function is crucial to a person's mobil-
ity and overall quality of living.

Curbita™'s precious ingredients support the entire sys-
tem of bladder muscles. It supports normal emptying
of the bladder because Curbita™ has a calming and
harmonizing effect on the function of bladder muscles.
This leads to a strengthening of the functional-urinary
system for men and women.*

Composition: Each soft gel capsule contains 1000 mg
of pure Curbita™ oil derived from a special cucurbita
pepo pumpkin fruit, the first pumpkin seed oil that
meets Sanhelios® standards.

Application: Support for healthy bladder function for
men and women.*
