

Suggested Use

Adults take 3 capsules 1 hour before bed.
Maximum time of use: one month.

Caution: US FDA advises that a potential risk of rare, but severe, liver injury may be associated with kava-containing dietary supplements. Do not take if you have, or have had, liver problems, drink alcohol, or take any medications. If you have a medical condition, use under the advice of a health care provider. Stop use and see a doctor if you develop symptoms that may signal liver problems, including jaundice (yellowing of the skin or whites of the eyes) and brown urine. Other nonspecific symptoms can include nausea, vomiting, light-colored stools, unexplained tiredness, weakness, stomach or abdominal pain, and loss of appetite. Not for use by persons under 18 years of age, or by pregnant or breastfeeding women. **Keep away from children.** Not for use with alcoholic beverages. Excessive use, or use with products that cause drowsiness, may impair your ability to operate a vehicle or heavy equipment. Use only as directed on label. Safety sealed for your protection. Keep bottle capped at all times and store in a cool dry place. Natural separation may occur. This does not affect product quality.

Turmeric Supreme Pain P.M.

For thousands of years Turmeric has been valued in Ayurveda, the traditional medicine system of India. Today, science has identified compounds in Turmeric, Curcumins in particular, which support healthy inflammatory function—maintaining overall health and vitality.*

Turmeric Supreme Pain P.M. combines Turmeric with other herbal extracts to support a healthy pain response when rest is also needed.* Kava Kava and Valerian both provide a calming effect and promote sleep.* Black Pepper extract is included for increased absorption and bioavailability of Curcumins.*
