Nervous System Support

There is evidence that links diadzin to the potential reduction in alcohol consumption. St. John's Wort contains hypericin which has been shown in scientific studies to help support the Nervous System. There is evidence that links hypericin to the alleviation of stress.

RECOMMENDATION

Take one capsule three times daily with a meal. Drink one glass (8 oz) of water with capsule.

WARNING: Do not use this product while taking any prescription drug without the advice of your prescribing physician. Do not take with prescription antidepressant drugs, including SSRIs and MAOIs.
