Vegetarian

WHY CLEANSE? Support the body's ability to decrease toxins from external sources. Toxins may come from synthetic pesticides and fertilizers, artificial hormones used in raising livestock and processed foods.

WHY FIBER? Fiber's key role in Complete Body Cleanse is to absorb and eliminate toxins.\* Toxins bind to the fiber and are carried out of the body.\* Without fiber, toxins may be re-absorbed and you cannot thoroughly detoxify.\*

\*THIS STATEMENT HAS NOT BEEN CHAIL STATEMENT HAS NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE OR PREVENT ANY DISEASE.
