

Since 1972

Digestive System Support

Hi-Lipase is designed to provide more complete digestion of high-fat foods, including nuts. This enzyme combination targets fats (lipase).

Hi-Lipase also includes an exclusive herbal blend to help stimulate digestion.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

RECOMMENDATION

Take one or two capsules up to twice daily before consuming high fat foods.

This bottle was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials in its products that are subject to color variation.
