

WEIGHT LOSS

Weight Management Support

Collatrim Plus is designed to support weight management by utilizing high levels of protein contained in this premier source of collagen. Collatrim Plus helps the body obtain a favorable ratio of the fat-storing hormone insulin and the fat-burning hormone glucagon. Collagen also supports healthy skin and strong joints.*

RECOMMENDATION

For Weight Management: Mix one rounded scoop (10.9 grams) with 4 oz. of water and take before bedtime on an empty stomach.

For Joint & Skin Support: Mix 1/3 scoop (3.63 grams) in 4 oz. of water three times daily. Scoop included.
