Product Details

Dietary Supplement. High-ORAC value. Helps combat stress, aging and environmental toxins. Resist the signs of aging. Anti-Aging Complex delivers the ultimate in antioxidant protection for the best defense against aging. Formulated with the powerful polyphenol resveratrol, this high potency formula supplies the suggested dose necessary to activate longevity, fight toxins and promote vitality as you age. Anti-Aging Complex contains a full dose of trans-resveratrol. Just one serving of Anti-Aging Complex every day may help you resist mental and physical aging, and extend your vitality for years to come. A first in super nutrition. The American muscadine grape is known as the super grape. Rich in polyphenols, the super grape credits its extra chromosome for its surplus of health benefits. As the exclusive provider of American super grapes, Anti-Aging Complex is formulated with this unique fruit for a true nutritional breakthrough. Our organic nature offers what experts believe is the most potent, anti-aging resveratrol product available today. Resveratrol & Your Heart: The antioxidants found in red wine are a powerful ally for strong cardiovascular function. Considered one of the most potent anti-aging substances, red wine resveratrol has shown promising results in its ability to help boost circulation, maintain healthy cholesterol levels and inhibit the risk factors of poor heart health. Clinical studies indicate that Anti-Aging Complex delivers the level of resveratrol found in 1,000 glasses of red wine. Extracted from the skin and seeds of red wine grapes, the polyphenols in resveratrol are proactive against free radicals, working to restore cellular energy and limit damage. By making this powerful resveratrol formula part of your healthy heart regimen, you can enjoy the remarkable, age-fighting benefits of red wine without alcoholic consumption. Our Ingredients: Our label means that our ingredients are grown through sustainable farming.

This practice allows us to provide you with ingredients that contain maximum nutritional and antioxidant values. Does not contain: corn, soy, wheat, lactose, citrus, milk, egg or fish products, sugar, salt, starch, artificial coloring, flavoring or preservatives. Components in this product are derived from natural sources. Allergen free of yeast. (These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.)

Ingredients

Other Ingredients: Dicalcium Phosphate, Gelatin (Capsule Shell), Magnesium Stearate, Silica.

Warnings

Keep out of reach of children. Do not use if seal is broken or missing. As with any dietary supplement, consult your health care practitioner before using this product, especially if you are pregnant, nursing, have existing medical conditions or are taking prescription medications.
