At Prince of Peace, one of our mottos is "we have been blessed to be a blessing." The Prince of Peace Children's Home (POPCH) and Children's Rehabilitation Center is home to over hundred children in Tianjin, China.

These children range in age from six months to nine years old, and all suffer from various congenital health ailments such as cerebral palsy, glaucoma, myasthenia gravis, Down Syndrome, albinism, etc. Since 2010, POPCH was chosen as the designated training center of the Training College of the Ministry of Civil Affairs.
