Weight Management Support

Fat Grabbers utilizes natural fibers from guar gum and psyllium to trap dietary fat molecules, and makes them unavailable to the body for digestion. Chickweed and lecithin are also used to emulsify fat and to reduce the amount of fat that is available to the body. This product is designed to support weight-management efforts.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

As part of any sensible dietary program, Nature's Sunshine suggests taking **Super Supplemental** or **SynerPro® Multiple Vitamins & Minerals**.

May cause allergic reaction in persons sensitive to inhaled or ingested psyllium.

This bottle was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials in its products that are subject to color variation.

Product of U.S.A.
