

Living Serene-3 contains the newly developed and patented ingredient, GS15-4™, "the 21st Century Ginseng Extract," has been clinically proven to provide 15 times increased absorption, 4 times faster absorption and 4 times more consistent absorption. This unique ginseng extract delivers ginseng with higher efficacy, more consistent absorption compared to conventional ginseng extracts.*

The term adaptogen is used by herbalists to refer to an herb that is proven to help enhance the body's resistance to anxiety, stress, fatigue and trauma. Adaptogenic herbs are natural stress busters that work to rebalance, rejuvenate and restore your body. They recharge your adrenal glands and make you capable of responding positively to stress. Three of the most popular adaptogenic herbs are ginseng, ashwagandha and rhodiola.*
