

Daily Cleanse Fiber

Daily Cleanse Fiber is a proprietary blend of plant based fibers and herbs to help support healthy digestion and elimination.* Used daily, this blend gently supports regularity with fiber and Triphala, while herbs like Ginger and Cinnamon pleasantly warm and stimulate digestion.*

Suggested Use

1/2 hour before breakfast, adults take 1 heaping teaspoon of Daily Cleanse Fiber in 8-10oz of water. Shake or stir well and drink quickly before liquid thickens. If sensitive digestion or elimination is present, then begin with 1/2 the suggested dose and gradually increase to the full dose.

Not to be used during pregnancy or lactation. If you have a medical condition or take medications, please consult with your doctor before using this product. Keep away from children. Use only as directed on label. Safety sealed for your protection. Keep bottle capped at all times and store in a cool dry place.
