

Since 1972

Other Ingredients: Cellulose (plant fiber), capsule (gelatin, water), di-calcium phosphate, magnesium stearate (vegetable), silicon dioxide (powdered silica).

Vital Nutrition Support

GUARANTEED PURE

Every cell in the body produces energy through a series of reactions that take place in a part of the cell known as the mitochondria. These reactions are essential to maintaining optimal health as well as energy and vitality. **Cellular Energy** contains vitamins, minerals, and other co-factors involved in these vital processes that regulate normal energy production and cellular metabolism.*
