WARNING: If you are pregnant, nursing or taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

ACTUAL SIZE

Evening Primrose is a natural source of the unsaturated fatty acid, Gamma-Linolenic Acid (GLA). Gamma-Linolenic Acid is a precursor to prostaglandins, action-specific biomolecules that regulate many important functions in cells.*** Radiance's Evening Primrose Oil is one of the best products of its kind on the market. The Evening Primrose used for Radiance is cold pressed and void of Hexane.

Directions: For adults, take one (1) softgel three times daily, preferably with a meal. As a reminder, discuss the supplements and medications you take with your health care providers.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

KEEP OUT OF REACH OF CHILDREN. STORE IN A DRY PLACE AND AVOID EXCESSIVE HEAT. TAMPER RESISTANT: DO NOT USE IF SEAL UNDER CAP IS BROKEN OR MISSING.
