With a busy schedule or vegetarian lifestyle, food options become even more limited. Tru-Food Vegan™ is a plant-based, whole food meal supplement that makes it easy to stay fully nourished, even when it's not convenient. Each serving has a 1:1 ratio of protein-to-carbohydrate, and only 3 grams of fat. Tru-Food Vegan™ consists of alkaline-forming ingredients*, and is free of most common allergens (such as milk, wheat, soy protein). It has a complete protein profile and is an excellent source of dietary fiber. It also has naturally occurring Omega-3 fatty acids, probiotics and digestive enzymes.
