

PHARMANEX® STANDARD: Proprietary Immune Formula is a blend of vitamin C, herbs and other immune system enhancing ingredients for the wet weather season.* Immune Formula provides an advanced combination of standardized Echinacea and Goldenseal extracts, buffered vitamin C and two novel immune-promoting ingredients: the phytosterol beta-sitosterol and patented arabinogalactan. Immune Formula rapidly stimulates the body's own natural immune defense system when needed.*

DIRECTIONS FOR USE: Take one (1) capsule two to three (2-3) times daily. Use as needed for up to two weeks, followed by a resting period of at least one week. Store in a cool dry place.

WARNING: Keep out of reach of children. If you are pregnant or lactating, or taking prescription medication, consult a physician prior to use. Discontinue use and consult a physician if any adverse reactions occur.
