# SKIN ETERNAL™

WITH DMAE, LIPOIC ACID,  
AND C ESTER  
60 TABLETS

*Dietary  
Supplement*

## Supplement Facts

Serving Size 2 Tablets

Servings Per Container 30

	Amount Per Serving	%DV
Calories	5	
Total Carbohydrate	1 g	<1%
Vitamin C (Ester, from ascorbyl palmitate)	216 mg	360%
Vitamin E (as d-alpha tocopheryl succinate)	100 IU	333%
Ascorbyl Palmitate (Vitamin C Ester)	510 mg	†
Alpha-Lipoic Acid	100 mg	†
Grape Seed Extract (Proanthodyn™)	50 mg	†
DMAE (as bitartrate)	50 mg	†

\*Percent Daily Values (%DV) are based on a 2,000 calorie diet.

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, stearic acid, modified cellulose gum, and silica

**Contains soy.**

**CAUTION:** If you are pregnant, may become pregnant, breastfeeding, or have epilepsy, please consult your health care professional before taking this product.

**Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.**

**SKIN ETERNAL™** contains five key ingredients that together protect the skin and support healthy skin tissue. Ascorbyl palmitate, the cornerstone ingredient, is a fat-soluble vitamin C ester. According to *in vitro* research, it may be more effective than water-soluble vitamin C in providing antioxidant protection to the lipids in cell membranes. DMAE is an immediate precursor of choline, an important component of skin cell membranes.\*

Alpha-lipoic acid is a powerful fat- and water-soluble antioxidant that recycles the antioxidant vitamins C and E. Grape seed extract scavenges lipid- and water-soluble free radicals, and supports the integrity of elastin and collagen.\*

**Suggested Use:** Take 2 to 4 tablets daily with a meal. A healthy diet rich in essential fatty acids, along with adequate hydration, is essential for healthy skin. We recommend drinking a minimum of 8 glasses of pure water daily.
