

Suggested Usage: Take 1 capsule twice daily, or can take 2 capsules right before bedtime.

Herbal Pause™ with EstroG-100® is a patented, clinically studied herbal blend of pure water extracts of *Phlomis umbrosa*, *Cynanchum wilfordii* and *Angelica gigas*. Herbal Pause™ is intended for women suffering from the discomfort often associated with menopause and peri-menopause.* EstroG-100® has demonstrated its ability to relieve hot flashes, night sweats, temporary sleeplessness, nervousness, and difficulty in maintaining a positive outlook related to menopause.†* Herbal Pause™ is an excellent alternative to soy isoflavones and black cohosh.

† 50% of women experienced improvement in at least one menopausal symptom within 7 days of use, with 75% experiencing improvement in at least one menopausal symptom within 14 days.*

Caution: For adults only. Not for pregnant or nursing women. Consult physician if taking medication or have a medical condition. Keep out of reach of children.
