

Suggested Usage: Take 1 capsule
1 to 6 times daily, preferably with food.

Feverfew is a popular herb and is botanically related to the sunflower. Feverfew has been an herbal remedy in Europe for centuries. Recent scientific research in Great Britain has confirmed some of its famed historical uses. NOW® Feverfew is standardized to 1200 mcg Parthenolide per capsule.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.
