Women's Living Green Liquid-Gel Multi™ sets a new standard in today's world of low nutrition and high stress. Using powerful botanicals from whole living plants, this is not a one-size-fits-all formula...it's targeted to benefit the unique nutritional profile of women.* For example, it delivers Vitamin D3, Evening Primrose Oil and Cranberry.

But most importantly, this is one of the world's first multi-nutrition formulas that is delivered in a Liquid Soft-Gel. So what does that mean to you? The nutrients in Soft-Gels are quickly released for use in your body, they're easier to swallow and they do not contain binders and fillers found in tablets, so there's more room for life-giving nutrients. But the greatest benefit of Soft-Gels is that they can hold special oils, such as Omega-3 essential fatty acids (EFAs). This breakthrough formula combines over 70 nutrients, vitamins and minerals that cover the following 12 categories:

ONE: Full-Spectrum Vitamins	SEVEN: Amino Acid Blend
TWO: Minerals	EIGHT: Traditional Botanical Blend
THREE: Crucial Oil Complex	NINE: Green Super Food Blend
FOUR: Antioxidant Blend	TEN: Adrenal Blend
FIVE: Fruit and Vegetable Blend	ELEVEN: Brain Blend
SIX: Immune Blend	TWELVE: Targeted Blend
