

LIQUUMINS™

Liquid CellEnergy™ is supercharged with Concentrace®, a concentrated, all natural ionic trace mineral complex derived from the pristine waters of the Great Salt Lake. Concentrace® contains charged, living minerals that can help activate the other nutrients for greater absorption and assimilation.†

LIQUID CELL
ENERGY™

LIQUUMINS™

LIQUID CELL
ENERGY™

with Ionic Trace Minerals, Fulvic Acid
and Plant Derived Enzymes

Helps to promote
cellular oxygenation!†
