

Fast-Absorbing

Cal/Mag/Zinc

Piña Colada

Certified Vegetarian • Gluten Free

liqui[®]mins™

Recent research highlights the important health benefits of maintaining proper bone mass for a lifetime. Proper exercise and supplementation of calcium and vitamin D for those not getting enough in their diet can help promote healthy bones.

Liquid Cal/Mag/Zinc is a perfectly balanced daily liquid supplement of calcium, magnesium, zinc and vitamin D synergistically formulated to support bone, muscle and connective tissue health.†

This fast-absorbing ionic liquid formula has a great Piña Colada flavor. It also contains ConcenTrace®, a full spectrum ionic trace mineral complex of over 72 trace minerals and elements that help to aid in the absorption process.†

As an additional benefit, calcium, magnesium and zinc play an integral role in the body's energy genera-

tion and enzyme production at the cellular level.†

We also back our products up with our "Feel the Difference or Your Money Back!" quality guarantee, one of the best guarantees in the industry. Try a bottle of Liquid Cal/Mag/Zinc today!

For over 35 years, Trace Minerals Research has been providing the natural products industry with the highest quality supplements to promote health and wellness.

Chloride (ConcenTrace®)	102 mg 3%
Sodium (ConcenTrace®)	86 mg 4%
Potassium (ConcenTrace®)	74 mcg <1%
ConcenTrace® (Ionic Trace Minerals) Total	438 mg **
Sulfate (ConcenTrace®)	8 mg **
Boron (ConcenTrace®)	140 mcg **

*Percent Daily Value is based on a 2,000 calorie diet.

**Daily Value not established.

Ingredients: Purified water, natural vegetable glycerine, calcium, magnesium, phosphorus, zinc, vitamin D3, natural flavors blend (pineapple, coconut), ionic trace minerals, citric acid, xanthan gum, potassium benzoate, potassium sorbate (for freshness). Plus over 72 ionic trace minerals and elements found in sea water.

Suggested Use: 1 to 2 tablespoons daily (1 capful=2 tablespoons), to top off or fully supplement your diet. As this is a highly concentrated product, we recommend starting with 1 tablespoon and increase as needed, ideally spread throughout the day. We also recommend taking this product mixed into or with a large glass of liquid for the best isotonic balance. Excess magnesium may cause a laxative effect. **SHAKE WELL. REFRIGERATE AFTER OPENING.**

Allergen Info: contains derivatives from corn. **GLUTEN FREE.**

ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
