EyePromise® Zeaxanthin + Lutein contains key carotenoids found in the macula. These natural, highly bioavailable carotenoids, Zeaxanthin and Lutein, help increase macular pigment while providing excellent photoprotectant and antioxidant properties. This formula is ideal for vegans and those who do not want to consume fish or animal by-products.⁹

Directions: Adults take 1-2 softgels per day with a meal, or as directed by your EyeCare Professional. *Store at room temperature. Do not expose to excessive heat.*

⁹These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure, or prevent any disease.

WARNING: If you are pregnant or nursing, taking any medications, or planning any medical procedure, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Keep out of the reach of children. Do not use if seal under cap is broken or missing.
