

Suggested Usage: Take 2 capsules 1 to 3 times daily. Pycnogenol® is a unique combination of proanthocyanidins obtained from the bark of the French maritime pine. As a potent natural scavenger of free radicals, Pycnogenol® helps to protect the body's tissues from oxidative stress and supports a healthy, balanced immune system response to normal metabolic stress.* Through these mechanisms, Pycnogenol® helps to maintain healthy eye, skin, and joint tissues.* In addition, scientific studies have shown that Pycnogenol® helps to maintain vascular strength and function.*
