

Neuro-Max™ II contains the most active and well researched brain and cognitive enhancing nutrients available.** Phosphatidylserine and Ginkgo Biloba have many double blind clinical studies demonstrating their efficacy in brain and neural function.** Human experiments with Vinpocetine and CDP choline show them to be beneficial for memory and cognition as well as improving oxygen and blood flow delivery to the brain.** Ashwagandha and Bacopa standardized extracts are ancient Ayurvedic herbs that have shown adaptogenic and cognitive enhancing properties in elderly people.**

- Improves memory and concentration**
- Increases neurotransmitter potential**
- Enhances blood flow and energy to the brain for cognitive support**
