

About: LyteShow is a liquid concentrate designed to replenish a complete balance of electrolytes and fluids lost due to alcohol consumption.* Its mineral base is naturally sourced in the USA and clinically tested and shown to be a significantly more efficient form of hydration than water alone.*

When to Use: Enjoy LyteShow when consuming alcoholic beverages to help keep your body hydrated.* Take another serving the morning after drinking to rebalance electrolytes and fluids.*

For Exercise: Take LyteShow when exercising to replace electrolytes lost in sweat and during exertion.*

Warning: If you are pregnant, breast-feeding, on medication, or have a known medical condition, consult a physician before taking. Keep out of reach of children. Will not prevent intoxication. Drink legally and responsibly.

***These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.**

DIETARY SUPPLEMENT

LYTEshow
electrolytes for people who drink*

- zero sugars
- zero calories
- nothing artificial
- made in the USA

56575

Suggested Use: Mix 3 mL of LyteShow with 32 ounces of water and enjoy. If desired, decrease the amount of water for a more concentrated mixture. Take as needed for hydration, but do not exceed 8 servings in a 24 hour period.

Measure: 3 mL equals approximately 40 drops, 0.6 teaspoon, or 1 Travel Flask capful. To easily get 3 mL, fill the Travel Flask cap to the very top with LyteShow.
