# AcaiChew™

AMAZON RAINFOREST AÇAÍ FRUIT SOFT CHEWS

Nutritionworks™ AcaiChew gives you the energizing benefits of Açaí fruit in one delicious soft chew. The Açaí fruit grows on top of lush palm trees in the heart of the Amazon rainforest. Açaí is considered to be part of the super fruit category because it contains polyphenols and anthocyanins, two of nature's most powerful antioxidants.

The Açaí fruit has been treasured by generations of South American Indians for its energizing health benefits. The Indians crush and strain the Açaí fruit to either drink it as a refreshing beverage or mix it with bananas as a nutritious meal.

Now you can enjoy the energizing benefits of the Açaí fruit in a delicious soft chew!
