

HARD TO THE CORE!

NEW Xenadrine Core™ – Contains dynamic and novel sensory ingredients, and delivers an electrifying thermogenic sensation designed for hardcore demands, hardcore intensity, and, most importantly, hardcore energizing results.*

Sacred Lotus (<i>Nelumbo nucifera</i>)	A unique source of higenamine derived from lotus flowers, which works synergistically with caffeine to help contribute to the unique sensory effect.
Gotu Kola	A unique ingredient extracted from a leafy green plant, contributing to the sensory experience of Xenadrine Core™.
Perilla Leaf Extract	A herbaceous plant native to Asia.
Caraway Seed Extract	A traditional herb of the Apiaceae family that contains carvacrol (polyphenol) and unsaturated fatty acids.

HARDCORE THERMOGENIC FORMULA

Prepare yourself for a thermogenic experience all packed into a cutting-edge, rapid-release blue chrome pill.▲

POWERFUL WEIGHT LOSS▲

This new formula contains premium green coffee extract [*C. canephora robusta*] that promotes weight loss, as seen in two scientific studies.

1 Subjects taking *C. canephora robusta* lost 10.95 lbs. in 60 days with a low-calorie diet, and 3.7 lbs. in an 8-week study with a calorie-reduced diet and moderate exercise.▲

UNRIVALED SENSORY & ENERGY▲

The Unique Xenadrine Core™ formula will hit you with some of the most sought-after sensory ingredients available on the planet. Plus, you'll be supercharged with a boost of caffeine anhydrous for unmatched intensity, thermogenesis, and the extreme energy you need to power through your most gruelling workouts.▲

†Daily Value not established.

Other Ingredients: Capsule (gelatin, mica, titanium dioxide, FD&C Blue No. 1), silicon dioxide, magnesium stearate.

Directions: To assess your tolerance, start with 1 capsule, once daily for the first two days, and then move to 1 capsule, twice daily 30-60 minutes before your two largest meals (e.g. breakfast and lunch). Do not exceed 2 servings (2 capsules) in a 24-hour period. Do not take within 5-hours of bedtime. Do not snack between meals. For best results, use for 60 days in combination with diet and exercise. Read the entire label before use and follow directions provided.

WARNING: Not intended for use by persons under 18. Do not use if you are pregnant or nursing. Consult a medical doctor before use if you have been treated for, or diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs, including blood thinners. One serving (1 capsule) of this product contains up to as much caffeine as 1.5 cups of coffee. Caffeine sensitive individuals may experience the following symptoms, including but not limited to restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate, or difficulty sleeping. Do not combine with other sources of caffeine. Consult a medical doctor before starting a diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed.
KEEP OUT OF REACH OF CHILDREN.

Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F).
